

We are pleased to invite you to the

Green Chemistry has evolved to an important and constantly growing branch of Chemistry and Environmental Sciences.

This Conference brings together experts to present the current status of Green Chemistry worldwide and in the European Union. We are glad to announce the participation of international leading scientists in the field of Green and Sustainable Chemistry.

International perspectives and policy will be discussed – amongst others - by experts from UNIDO, ISC3, UN Environment, the EEA, ECHA and the European Commission.

Green Chemistry Startups will be presented in a pitching session.

The detailed [agenda](#) can be found on the [Green Chemistry Conference Website](#).

The fourth [UNIDO – Global Chemical Leasing Award Ceremony](#) will take place at the conference's closing event on November 6<sup>th</sup>, 2018.

For registration please send an email to:  
[greenchemistry-vienna@umweltbundesamt.at](mailto:greenchemistry-vienna@umweltbundesamt.at)  
We will provide further instructions.

**Please note that participation at the conference is free of cost and registrations will be assigned in the order of receipt.**

Registration will close, when the maximum number of participants has been reached. We are looking forward to welcoming you in Vienna in November 2018.

For requests please contact: [greenchemistry-vienna@umweltbundesamt.at](mailto:greenchemistry-vienna@umweltbundesamt.at)

The protection of your data is our concern. The new European Data Protection Regulation makes the use and storage of your data more transparent and should guarantee you greater protection. Via this e-mail address, we inform you about the Green Chemistry Conference, November 5th/6th in Vienna. If you no longer wish to receive information about this conference, please inform us: [greenchemistry-vienna@umweltbundesamt.at](mailto:greenchemistry-vienna@umweltbundesamt.at)
